The Water Cistern project in Kagera/Tanzania won the German Innovation Award 2011 "Land der Ideen"

The water cistern project which has been supported by the TOOLS FOR LIFE Foundation since 2008 won the German Innovation Award 2011 of the competition "Land der Ideen" (www.land-der-ideen.de). Together with Engineers without borders we are very proud of this mark of recognition. The official celebration will take place on the 20th of April in Berlin and hosted by the German Federal President.

TOOLS FOR LIFE supports a School- and Waterproject in Togoville

TOOLS FOR LIFE is supporting a new project in Togo. Together with Father Augustin and the association PRO TOGOVILLE our foundation will help to build a well, a standpipe and a school building and cafeteria for approximately 80 children. As the project is already well prepared we will start immediately. Enclose find some recent pictures. (Dr. Sandra Rothenberger)
