

### New pictures of the Deep Well Construction Site in Gouye Ndiogou/Senegal

The deep well project is moving fast due to the highly motivated people on site. Tools for Life Foundation just received new pictures of the nearly finished water tower and the control station. We are convinced that we will complete everything by September 2011. We will keep you posted!

### Busch School in Goback-Sossos/ Senegal

Mrs. Heike Meßenzhl from "Hilfe für Afrika e.V." will travel to Goback-Sossos/ Senegal at the end of April and will already hand over desks and chairs to the children of the Busch School in the name of the TOOLS FOR LIFE Foundation. On site, she will be responsible to buy the rest of the school equipment with the teacher. The children and the teacher are very excited about their new school equipment. Enclosed you will find some recent pictures.

### Thanks to ROTHENBERGER China

ROTHENBERGER China collected €300 for the TOOLS FOR LIFE Foundation. Mr. Muckel and his team handed over a check to Mr. Ehrler in January 2011. The son of Mr. Muckel painted us a very nice picture of the TOOLS FOR LIFE Foundation. We will find a nice place for his painting in the TOOLS FOR LIFE Foundation office. Thank you very much!

### TOOLS FOR LIFE at the ISH 2011 in Frankfurt

At the ISH fair in Frankfurt the TOOLS FOR LIFE Foundation was represented by a huge billboard at the ROTHENBERGER stand. Thanks to the ROTHENBERGER Marketing team, we could inform the visitors about our projects and activities!
